Date: February 18, 2025

Dear Students,

We are pleased to announce the continuation of the Warren and Sussex County NAACP Scholarship Program for 2025!

Although this year's total award package has not been finalized, last year, thanks to our generous sponsors, we were able to award scholarships totaling up to \$18,000.

Our scholarship program aims to combat all forms of discrimination and promote diversity through education. This opportunity is open to all students residing in Warren and Sussex counties, New Jersey, who are either college-bound high school seniors or continuing college students.

Scholarship awards will be based on a 450-550 word essay in response to the following question:

“As the political climate around DEI policies continues to shift dramatically, how do you think the political landscape around diversity, equity, and inclusion will shape society in the next 10 to 20 years, and what role will younger generations play in driving change?”
