

Mr. Mulvihill

English II Honors

SUMMER ASSIGNMENT 2024

I. Read Mary Shelley's *Frankenstein*

II. In a Google Doc provide:

- A) The denotation of "moral responsibility"
- B) Ten connotations (simply list them)

III. In a typed, 5 paragraph analytical piece, uncover the constraints and barriers of moral responsibility by either Victor, the creation or both. Be sure to clearly identify who or what helped them endure this dilemma. As a requirement, provide three direct support quotes referencing the novel. Proper MLA format is expected.

IV. As any character, write a two page letter (double-spaced, 11/12 point font) expressing your feelings pertaining to moral responsibility and the conflicting emotions that accompany it. Be sure to convey the emotion and frustration you (your character) experience throughout the story. Additionally, provide a creative, illustrated piece (drawing, painting, photograph, etc.) symbolic of your feelings. This component will be presented to the class upon the start of the school year.

ENJOY THE SUMMER!!!
